WHO WE ARE

The Central Kentucky Special Education Cooperative (CKSEC) was established to provide Support Services and Professional Development that focus on relevant issues identified by the needs of its 23 member districts and the Kentucky Department of Education. Staff Development is offered at the following levels: awareness, application and implementation.

CKSEC is governed by an independent board of directors. The fiscal agent for the cooperative is Central Kentucky Education Cooperative (CKEC). The majority of funding is provided using federal dollars awarded Kentucky under Part B, of the Individuals with Disabilities Education Act.

Just The Facts:

Above - CKSEC districts are outlined in blue. There are 11 Special Education Cooperatives in Kentucky.

CKSEC serves 23 school districts encompassing over 200 schools and over 115,000 students. In the cooperative service area there are over 15,000 Exceptional Students and over 1000 Exceptional Education staff.

This past year over 7200 teachers attended Professional Development training, received consultative services or participated in a professional cadre offered by CKSEC.
